

**FINAL TERMS  
DATED 26 FEBRUARY 2018**

Series No. DDBO SECB Sverige

Tranche No. 1

**DANSKE BANK A/S**

**EUR 5,000,000,000**

**Structured Note Programme**

Issue of

***DDBO SECB Sverige***

Any person making or intending to make an offer of the Notes may only do so:

(i) In those Non-exempt Offer Jurisdictions mentioned in Paragraph 6 (*Distribution*) of Part B below, provided such person is of a kind specified in that paragraph and that the offer is made during the Offer Period specified in that paragraph; or

(ii) otherwise, in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or to supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer.

Neither the Issuer nor any Dealer has authorised, nor do they authorise, the making of any offer of Notes in any other circumstances.

**PART A - CONTRACTUAL TERMS**

Terms used herein shall be deemed to be defined as such for the purposes of the Conditions set forth in the Base Prospectus dated 20 June 2017, the Prospectus Supplement No. 1 dated 31 July 2017, the Prospectus Supplement No. 2 dated 25 August 2017, the Prospectus Supplement No. 3 dated 9 November 2017 and the Prospectus Supplement No. 4 dated 12 February 2018, which together constitute a base prospectus (the “**Base Prospectus**”) for the purposes of the Prospectus Directive. This document constitutes the Final Terms of the Notes described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with such Base Prospectus. Full information on the Issuer and the offer of the Notes is only available on the basis of the combination of this Final Terms and the Base Prospectus. A Summary of the Notes (which comprises the Summary in the Base Prospectus, as amended to reflect the provisions of this Final Terms), is annexed to this Final Terms. The Base Prospectus and this Final Terms is available for viewing at and copies may be obtained from the Central Bank of Ireland’s website at [www.centralbank.ie](http://www.centralbank.ie).

## PART B – OTHER INFORMATION

### 1. Listing and Admission to Trading

- |       |                                                             |                                                                                                                                       |
|-------|-------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| (i)   | Listing:                                                    | Nasdaq Stockholm                                                                                                                      |
| (ii)  | Admission to trading:                                       | Application has been made for the Notes to be admitted to trading on the regulated market with effect from on or about the Issue Date |
| (iii) | Estimate of total expenses related to admission to trading: | SEK 31,500                                                                                                                            |
| (iv)  | Market Making:                                              | Not Applicable                                                                                                                        |

### 2. Interests of Natural and Legal Persons involved in the Issue/Offer

Save as discussed in the “*Subscription and Sale*” section of the Base Prospectus, so far as the Issuer is aware, no person involved in the offer of the Notes has an interest material to the offer

### 3. Reasons for the Offer, Estimated Net Proceeds and Total Expenses

- |     |                        |                                                            |
|-----|------------------------|------------------------------------------------------------|
| (i) | Reasons for the offer: | As set out in the “Use of Proceeds” in the Base Prospectus |
|-----|------------------------|------------------------------------------------------------|

### 4. Performance of Basket of Underlying Equities, explanation of effect on value of investment and associated risks and other information concerning the Basket of Underlying Equities:

The Call Redemption Amount of the Note issued at 10 % above par, is linked to the performance of the underlying basket of stocks.

The Call Performance is determined as the weighted average Performance of the underlying stocks, (including the thirteen monthly fixings at the end of the maturity) multiplied with the Participation Rate (to be determined on the Issue Date and subject to a minimum of 115 %).

If the weighted average performance of the basket (including the thirteen monthly fixings at the end of the maturity), is positive, the Notes will redeem at a price above par.

If the weighted average performance (including the thirteen monthly fixings at the end of the maturity), is negative, the Notes will redeem at par.

The market value of the Notes during their term may fluctuate and if the Notes are sold in the secondary market prior to maturity they might have to be sold at a substantial loss. Investors should therefore be willing to hold the Notes to maturity. Investors cannot be certain that there will be a secondary market for the Notes and the Notes are not expected to be traded every day. Even if such a market did exist, there is no assurance that the market would operate efficiently, or that the price of the Notes would reflect a theoretical or fair price.

If the Issuer is obliged to redeem the Notes early, due to change in Tax or Legal aspects prohibiting the Notes, or in the event of the Issuer defaulting on its debt, the Notes may be redeemed in accordance with the Conditions at their Early Redemption Amount (see item 32 of the Final Terms). If the Notes are

redeemed early, there might be redeemed at a substantial loss. There is a risk that an investor may lose some or all of the value of its investment. Thus the partial principal protection does not apply, if the Notes are redeemed early.

Finally the redemption payment of the Note is dependent upon the Issuer being able to meet its obligation on the Maturity Date. If the Issuer is not able to meet its obligation, investor may lose part of or all of the invested amount.

The Share Basket contains the following stocks (as set out in item 17 of the Final Terms). The description of the companies in the below is taken from Bloomberg. Additional information about the Shares can be found by the following links below:

#### **Nordea Bank AB**

Nordea Bank AB is a financial services group that provides banking services, financial solutions, and related advisory services. The Group attracts deposits and offers credit, investment banking, securities trading, and insurance products to private individuals, companies, institutions, and the public sector. ## 7. Terms and Conditions of the Offer:

Offer Price: Issue Price

Conditions to which the offer is subject The Issuer reserves the right to cancel, in the sole and absolute discretion of the issuer, the Issue of the Notes if (i) the Issuer receives subscriptions for Notes on an Aggregate Principal Amount of less than SEK 15,000,000, or (ii) the Issuer does not determine the Participation Rate to be at least 115 per cent.

Further, the Issuer has the right to cancel the offer and the subsequent issue of the Notes if in the sole and absolute discretion of the Issue, during the Offer Period, there is a domestic or international material change in interest levels and/or the volatility in the underlying equities, an economic, financial, political or market related material change, which in the sole and absolute discretion of the Issuer makes the offering of Notes inexpedient.

Description of the application process: During the Offer Period prospective investors may subscribe to the Notes during normal banking hours in Sweden. Further, during the Offer Period, prospective

investors, with access to Danske Bank's online service *Hembanken*, may during the Offer Period subscribe via *Hembanken* also outside normal banking hours.

|                                                                                                                                                                                                                     |                                                                                                                                                                                                                                      |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Details of the minimum and/or maximum amount of application:                                                                                                                                                        | The Notes may be subscribed in a minimum lot of one Note. There is no maximum amount of application                                                                                                                                  |
| Description of possibility to reduce subscriptions and manner for refunding excess amount paid by applicants:                                                                                                       | Not Applicable                                                                                                                                                                                                                       |
| Details of the method and time limits for paying up and delivering the Notes:                                                                                                                                       | <p>The Notes will be made available on a delivery versus payment basis.</p> <p>The Issuer estimates that the Notes will be delivered to the purchaser's respective book-entry securities account(s) on or around the Issue Date.</p> |
| Manner in and date on which results of the offer are to be made public:                                                                                                                                             | After the Offer Period the results of the offer will be specified in the applicable Final Terms that will be published on a homepage of Danske Bank A/S on or about the Issue Date.                                                  |
| Procedure for exercise of any right of pre-emption, negotiability of subscription rights and treatment of subscription rights not exercised:                                                                        | Not Applicable                                                                                                                                                                                                                       |
| Whether tranche(s) have been reserved for certain countries:                                                                                                                                                        | Not Applicable                                                                                                                                                                                                                       |
| Process for notification to applicants of the amount allotted and the indication whether dealing may begin before notification is made:                                                                             | Not Applicable                                                                                                                                                                                                                       |
| Amount of any expenses and taxes specifically charged to the subscriber or purchaser:                                                                                                                               | Subscription fee or purchases fees up to 2.00 per cent. being specified that the Issuer can waive such fees.                                                                                                                         |
| Name(s) and address(es), to the extent known to the Issuer, of the placers in the various countries where the offer takes place:                                                                                    | None                                                                                                                                                                                                                                 |
| Name and address of the entities which have a firm commitment to act as intermediaries in secondary trading, providing liquidity through bid and offer rates and description of the main terms of their commitment: | Not Applicable                                                                                                                                                                                                                       |

## 8. U.S. Federal Income Tax Considerations

- (i) The Notes are not Specified Notes for purposes of Section 871(m).

## SUMMARY

Summaries are made up of disclosure requirements known as “Elements”. These Elements are numbered in Sections A – E (A.1 – E.7). This Summary contains all the Elements required to be included in a summary for the Notes and the Issuer. Because some Elements are not required to be addressed, there may be gaps in the numbering sequence of the Elements. Even though an Element may be required to be inserted in a summary because of the type of securities and issuer, it is possible that no relevant information can be given regarding the Element. In this case a short description of the Element should be included in the summary explaining why it is not applicable.

### Section A – Introduction and Warnings

|            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>A.1</b> | <p>This summary should be read as an introduction to the Base Prospectus and the relevant Final Terms.</p> <p>Any decision to invest in any Notes should be based on a consideration of the Base Prospectus as a whole, including any documents incorporated by reference and the relevant Final Terms.</p> <p>Where a claim relating to information contained in the Base Prospectus and the relevant Final Terms is brought before a court in a Member State of the European Economic Area, the plaintiff may, under the national legislation of the Member State where the claim is brought, be required to bear the costs of translating the Base Prospectus and the relevant Final Terms before the legal proceedings are initiated.</p> <p>No civil liability will attach to the Issuer in any such Member State solely on the basis of this summary, including any translation hereof, unless it is misleading, inaccurate or inconsistent when read together with the other parts of the Base Prospectus and the relevant Final Terms or it does not provide, when read together with the other parts of the Base Prospectus and the relevant Final Terms, key information (as defined in Article 2.1(s) of the Prospectus Directive) in order to aid investors when considering whether to invest in the Notes.</p> |
| <b>A.2</b> | The Notes may be offered in circumstances where there is no exemption from the obligation under the Prospectus Directive to publish a prospectus (a “ <b>Non-exempt Offer</b> ”).                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

### Section B – Issuer

|             |                                                                                  |                                                                                                                                                                                                                                                                                                                                |

|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
|     | <p><b>including ranking and limitations on those rights</b></p> <p><b><i>Ranking</i></b></p> <p>The Notes will constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer and will rank <i>pari passu</i> without any preference among themselves and at least <i>pari passu</i> with all other unsubordinated and unsecured obligations of the Issuer, present and future save for certain mandatory exceptions provided by law, including those required as a result of the BRRD being implemented into Danish law.</p> <p><b><i>Taxation</i></b></p> <p>All payments in respect of the Notes will be made without withholding or deduction for taxes imposed by Denmark. In the event that any such deduction is made, the Issuer will, save in certain limited circumstances, be required to pay additional amounts to cover the amounts so deducted. If any such additional amounts become payable and cannot be avoided by the Issuer taking reasonable measures available to it, the Issuer may redeem the Notes early by payment of the early redemption amount in respect of each calculation amount.</p> <p><b><i>Negative pledge and cross default</i></b></p> <p>The terms of the Notes will not have the benefit of a negative pledge or a cross-default.</p> <p><b><i>Events of default</i></b></p> <p>The terms of the Notes will contain, amongst others, the following events of default: (i) default in payment of any principal or interest due in respect of the Notes, continuing for a period of 5 days after the date on which notice has been given to the Issuer; (ii) default in the performance or observance of any other obligation of the Issuer under the Notes and such default remains unremedied for 30 days after notice requiring remedy has been given to the Issuer; (iii) a legal process is levied or enforced or sued out upon or against any part of the assets of the Issuer which is material in its effect upon the operation of the Issuer and is not discharged or stayed within 60 days of having been so levied, enforced or sued out, (iv) events relating to the bankruptcy of the Issuer; and (v) the Danish Financial Supervisory Authority files a petition for the suspension of payments of the Issuer.</p> <p><b><i>Meetings</i></b></p> <p>The terms of the Notes will contain provisions for calling meetings of holders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all holders, including holders who did not attend and vote at the relevant meeting and holders who voted in a manner contrary to the majority.</p> <p><b><i>Governing Law</i></b></p> <p>English law, except that the registration of the Notes in Euroclear Sweden shall be governed by Swedish law.</p> |  |
| C.9 | <p><b>Interest, Redemption and Representation:</b></p> <p>The Notes do not bear any interest.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |  |

|             |                                                                                                                                                                                                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

| C.15 | Description of how the value of the investment is affected by the value of the underlying instrument(s) | <p>The principal amount payable at maturity will be subject to a minimum redemption amount of 100 % of the calculation amount, subject as provided below.</p> <p>See also Element C.18 below.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| C.16 | Maturity date and final reference date                                                                  | The maturity date is 2 May 2022. The final reference date is the final averaging date specified in Element C.18 below.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| C.17 | Settlement procedure of derivative securities                                                           | The Notes are cash settled Notes.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| C.18 | Return on derivative securities                                                                         | <p>The Notes do not bear any interest.</p> <p><b>Early redemption</b></p> <p>See “Taxation” and “Events of Default” in Element C.8 above for information on early redemption in relation to the Notes.</p> <p>In addition, if the Issuer determines that performance of its obligations under the Notes or that any arrangements made to hedge its obligations under the Notes has or will become illegal in whole or in part as a result of compliance with any applicable present or future law (an “<b>illegality</b>”), the Issuer may redeem the Notes early and, if and to the extent permitted by applicable law, will pay an amount equal to the early redemption amount in respect of each calculation amount</p> <p>In the circumstances specified above, the “<b>early redemption amount</b>” payable on any such early redemption of the Notes will be an amount determined by the Calculation Agent which represents the fair market value of each calculation amount of the Notes on a day selected by the Issuer (in the case of an early redemption following an illegality, ignoring the relevant illegality), but adjusted (except in the case of an early redemption following an event of default) to account for losses, expenses and costs to the Issuer and/or its affiliates of unwinding any hedging and funding arrangements in respect of the Notes, provided that, for the purposes of determining the fair market value of each calculation amount of the Notes following an event of default, no account shall be taken of the financial condition of the Issuer which shall be presumed to be able to perform fully its obligations in respect of the Notes.</p> <p><b>Redemption at maturity</b></p> <p>Unless previously redeemed or purchased and cancelled, the Notes will be redeemed at their Final Redemption Amount on the Maturity Date.</p> <p>The maturity date is 2 May 2022.</p> |

The Final Redemption Amount in respect of each calculation amount ("CA") is linked to the performance of the Reference Item and shall be the Reference Item-Linked Redemption Amount (which shall not be less than zero) determined as set out below:

The Reference Item-Linked Redemption Amount shall be the **"Call Redemption Amount"** determined by reference to the following formula:

$$\text{RPA} + \text{Reference Item Amount}$$

For the purposes of the above:

**"Reference Item Amount"** means an amount determined by reference to the following formula:

$$\text{CA} \times \text{Max}[\text{Performance Floor}; (\text{PR} \times \text{Call Performance})] \times \text{OFX}$$

Where:

**"Call Performance"** means the sum of the weighted Performances for each of the Reference Items MINUS Strike

**"FX Option Conversion"**: Not Applicable, OFX = 1

**"FX Principal Conversion"**: Not Applicable, PFX = 1

**"Performance"** means, in respect of a Reference Item and the specified final averaging dates, the average price of such Reference Item on such specified final averaging dates DIVIDED BY the initial price of such Reference Item on the initial valuation date, expressed as a percentage

**"Relevant Principal Amount"** ("RPA") mean the CA multiplied by 100 % multiplied by PFX.

**"Performance Floor"** = Zero

**"PR"** = INDICATIVELY 135%  
(to be determined by the Issuer no later than the Issue Date, subject to a minimum of 115%)

**"Strike"** = 100%

#### **Valuation**

**"initial valuation date"** = 17 April 2018 (subject to postponement)

**"final averaging dates"** = 17 April 2021, 17 May 2021, 17 June 2021, 17 July 2021,

| D.2 | <b>Key risks specific to the Issuer</b>                   | <p>In purchasing Notes, investors assume the risk that the Issuer may become insolvent or otherwise be unable to make all payments due in respect of the Notes. There is a wide range of factors which individually or together could result in the Issuer becoming unable to make all payments due in respect of the Notes. It is not possible to identify all such factors or to determine which factors are most likely to occur, as the Issuer may not be aware of all relevant factors and certain factors which it currently deems not to be material may become material as a result of the occurrence of events outside the Issuer's control. The Issuer has identified in the Base Prospectus a number of factors which could materially adversely affect its business and ability to make payments due under the Notes. These factors include:</p> <ul style="list-style-type: none"> <li>• the Group is exposed to a number of risks, the categories of which are credit risk, market risk, liquidity risk, operational risk, litigation and regulatory risk, insurance risk, pension risk and business risk;</li> <li>• regulatory changes could materially affect the Issuer's business;</li> <li>• the Issuer will face increased capital and liquidity requirements as a result of the Basel III framework;</li> <li>• the implementation of a bank recovery and resolution directive or the taking any action under it could materially affect the value of any Notes;</li> <li>• the Group may have to pay additional amounts under deposit guarantee schemes or resolution funds; and</li> <li>• the Group may be affected by general economic and geopolitical conditions.</li> </ul>                                                                                                                                                                                                                                                                                                                     |
| D.6 | <b>Key information on key risks specific to the Notes</b> | <p><i>The Issuer believes that the factors summarised below represent the principal risks inherent in investing in the Notes, but the Issuer may be unable to pay amounts on or in connection with any Notes for other reasons which may not be considered significant risks by the Issuer based on information currently available to it and which it may not currently be able to anticipate.</i></p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
|     |                                                           | <p>Notes may involve a high degree of risk. There are certain factors which are material for the purpose of assessing the market risks associated with investing in the Notes, which include, without limitation, the following: an active secondary market in respect of the Notes may never be established or may illiquid and this would adversely affect the value at which an investor could sell its Notes, if an investor holds Notes which are not denominated in the investor's home currency, it will be exposed to movements in exchange rates adversely affecting the value of its holding and the imposition of exchange controls could result in an investor not receiving payment on those Notes, the market value of the Notes will be affected by a number of factors independent of the creditworthiness of the Issuer, credit ratings assigned to the Issuer may not reflect all the risks associated with an investment in the Notes, the Notes may not be a suitable investment for all investors, because the VP Systems Notes are dematerialised securities, investors will have to rely on the clearing system procedures for transfer, payment and communication with the Issuer, taxes and expenses may be payable by holders in connection with the Notes, there may be withholding under the EU Savings Directive, U.S. Foreign Account Tax Compliance Act withholding may affect payments on the Notes, the Hiring Incentives to Restore Employment Act withholding may affect payments on the Notes, the proposed financial transactions tax may apply in respect of certain dealings in Notes, the Terms and Conditions of the Notes contain provisions which may permit their modification without the consent of all investors, the value of the Notes could be adversely affected by a change in applicable laws or administrative practice, the Issuer has issued covered bonds and if any relevant claims in respect of these covered bonds are not met out of the pool of assets or</p> |

|  |  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

|  |  | the proceeds arising from it, any remaining claims will subsequently rank <i>pari passu</i> with the Issuer's obligations under the Notes.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
|  |  | In addition, there are certain factors which are material for the purpose of assessing the risks relating to the structure of the Notes, which include, without limitation, the following: if the Issuer's obligations under the Notes become illegal, the Issuer may redeem the Notes.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|  |  | <p>There are certain additional risks associated with Notes linked to the Reference Items: prospective investors in the Notes should understand the risks of transactions involving the Notes and should reach an investment decision only after careful consideration, with their advisers, of the suitability of the Notes in light of their particular financial circumstances, the information set forth in the Base Prospectus and the information regarding the Notes and the Reference Items to which the value of, or payments in respect of, the Notes relate. Fluctuations in the value and/or volatility of the Reference Items may affect the value of the Notes.</p> <p>Investors may risk losing their entire investment. Investors will have no claim against any Reference Item. Hedging arrangements of the Issuer may affect the value of the Notes and there may be conflicts of interest in respect of the Notes. Market disruptions or other adjustment events may occur in respect of the Reference Items which may result in valuations and/or payments being delayed, the Notes may be subject to adjustment (including, without limitation, that the relevant Reference Item may be substituted) or the Notes may be redeemed early.</p> <p>The Notes will represent an investment linked to the performance of the Reference Items and prospective investors should note that the return (if any) on their investment in the Notes will depend upon the performance of the Reference Items.</p> |

### Section E – Offer

| Element | Title                                                                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

| E.2b    | <b>Reasons for offer and use of proceeds when different from making profit and/or hedging certain risks</b> | The net proceeds from each issue of Notes will be applied by the Issuer to meet part of its general financing requirements.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| E.3     | <b>Terms and conditions of the offer</b>                                                                    | <p>This issue of Notes is being offered in a Non-Exempt Offer in Sweden.</p> <p>The issue price of the Notes is 110.00 per cent. of their principal amount.</p> <p>The Issuer reserves the right to cancel, in the sole and absolute discretion of the Issuer, the Issue of the Notes if (i) the Issuer receives subscriptions for Notes on an Aggregate Principal Amount of less than SEK 15,000,000, or (ii) the Issuer does not determine the Participation Rate to the lowest 115 per cent..</p> <p>Further, the Issuer has the right to cancel the offer and the subsequent issue of the Notes if in the sole and absolute discretion of the Issuer, during the Offer Period, there is a domestic or international material change in interest levels and/or the volatility in the underlying equities, an economic, financial, political or</p> |

|            |                                                                               |                                                                                                                                                                                                                                                                                                                                      |
|------------|-------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|            |                                                                               | market related material change, which in the sole and absolute discretion of the Issuer makes the offering of Notes inexpedient.                                                                                                                                                                                                     |
| <b>E.4</b> | <b>Interests material to the issue/offer, including conflicting interests</b> | Not Applicable – So far as the Issuer is aware, no person involved in the issue of the Notes has an interest material to the offer.                                                                                                                                                                                                  |
| <b>E.7</b> | <b>Expenses charged to the investor</b>                                       | <p>The Issuer may charge a subscription fee (commission) of up to 2.00 per cent of the Aggregate Principal Amount. Commission is not included in the Issue Price.</p> <p>The Issue Price includes a structuring fee of approximately up to 1.00 per cent per annum (i.e. up to 4.00 per cent) of the Aggregate Principal Amount.</p> |

## SAMMANFATTNING

Sammanfattningar upprättas utifrån informationspunkter kallade "Punkter". Dessa punkter numreras i Avsnitt A till E (A.1 - E.7). Denna Sammanfattning innehåller alla de Punkter som ska ingå i en sammanfattning för Obligationerna och Emittenten. Eftersom vissa Punkter inte behöver behandlas här så kan det finnas luckor i nummerföljden av Punkterna. Även om en viss Punkt ska ingå i Sammanfattningen mot bakgrund av typen av värdepapper och emittent, kan det förhålla sig så att ingen information finns att återge under den Punkten. I dessa fall anges endast en kort beskrivning av Punkten och med en förklaring varför den inte är tillämplig.

### Avsnitt A - Introduktion och varningar

| Punkt      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

| C.8 | <b>Rättigheter förknippade med Obligationerna, inklusive rangordning och begränsningar:</b> | <p>Obligationerna har villkor avseende, bl.a.:</p> <p><b>Rangordning</b><br/> Obligationerna kommer att utgöra direkta, ovillkorade, icke-efterställda och icke-säkerställda åtaganden för Emittenten och kommer att rankas i likhet sinsemellan och åtminstone jämsides med Emittentens samtliga övriga ordinära, icke-preferens, icke-efterställda och icke-säkerställda (inkluderande åtaganden avseende insättningar) nuvarande och framtida åtaganden (om inte annat anges i tvingande lag), inklusive de som följer av att Resolutionsdirektivet (direktiv 2014/59/EU) såsom implementerat i dansk rätt.</p> <p><b>Skatt</b><br/> Samtliga betalningar avseende Obligationerna kommer göras utan avdrag för källskatt eller avdrag för skatter i Danmark. För det fall att något sådant avdrag görs, kommer Emittenten, med vissa begränsade undantag, att åläggas att betala ytterligare belopp för att täcka upp för de belopp som dras av. Om några sådana ytterligare belopp förfaller till betalning och inte kan undvikas av Emittenten, trots att denne vidtar rimliga åtgärder som står till buds, så kan Emittenten lösa in Obligationerna i förtid genom att betala det förtida inlösenbeloppet avseende varje beräkningsbelopp.</p> <p><b>Negativåtagande och uppsägningsgrund avseende andra förpliktelser</b><br/> Villkoren för Obligationerna kommer inte innehålla villkor om negativåtagande och uppsägningsgrund avseende andra förpliktelser.</p> <p><b>Uppsägningsgrundande Händelse</b><br/> Villkoren för Obligationerna innehåller, bl.a., följande uppsägningsgrundande händelser: (i) underlåtelse av betalning av något kapitalbelopp eller ränta under Obligationerna och sådan underlåtelse varar under en period om 5 dagar efter den dag på vilket meddelande har lämnats till Emittenten; (ii) Emittentens underlåtelse att uppfylla eller respektera något av sina andra åtaganden under Obligationerna som fortgår under minst 30 dagar efter meddelande om krav på rättelse har lämnats till Emittenten; (iii) ett juridiskt förfarande avseende beskattning eller verkställande eller stämning avseende eller gällande någon del av Emittentens tillgångar företas som är betydande vad gäller dess effekt på Emittentens verksamhet och som inte avslås eller inhiberas inom 60 dagar efter sådant juridiskt förfarande avseende beskattning, verkställande eller stämning, (iv) händelser avseende Emittentens konkurs; och (v) den danska finansinspektionen meddelar beslut om avbrott för betalningar för Emittenten.</p> <p><b>Innehavarmöten</b><br/> Villkoren för Obligationerna kommer innehålla bestämmelser om kallande till innehavarmöten för att ta ställning till saker som påverkar innehavares intressen generellt. Dessa villkor tillåter vissa definierade majoriteter att binda samtliga innehavare, inklusive innehavare som inte närvarade vid och inte röstade vid det relevanta innehavarmötet samt innehavare som röstade på ett annat sätt än majoriteten.</p> <p><b>Tillämplig rätt</b><br/> Engelsk rätt, med undantag för registrering av Obligationerna i Euroclear Sweden AB som ska vara underkastat svensk rätt.</p> |

| <b>C.15</b> | <b>Beskrivning av hur värdet för investeringen påverkas av värdet för det underliggande instrumentet(en)</b> | Kapitalbeloppet som ska erläggas vid förfallodagen kommer att vara föremål för ett minimiinlösenbelopp om 100 % av beräkningsbeloppet, med förbehåll för vad som anges nedan.                                                                                                                                                                                                                                   |
| <b>C.16</b> | <b>Förfallodag och slutlig referensdag</b>                                                                   | Förfallodagen är 2 maj 2022. Den slutliga referensdagen är den slutliga genomsnittsdagen angiven i Punkt C.18 nedan.                                                                                                                                                                                                                                                                                            |
| <b>C.17</b> | <b>Avvecklings-förfaranden för derivat-värdepapper</b>                                                       | Obligationerna är Obligationer som avvecklas kontant.                                                                                                                                                                                                                                                                                                                                                           |
| <b>C.18</b> | <b>Avkastning på derivat-värdepapper</b>                                                                     | <p>Räntebeloppet (om något) och inlösenbeloppet som förfaller vid förfallodagen, fastställs enligt det följande:</p> <p><b>Ränta</b><br/>Obligationerna löper inte med ränta.</p> <p><b>Förtida inlösen</b><br/>Se "Skatt" och "Uppsägningsgrundande Händelser" i Punkt C.8 ovan och "Avbrottsdagar, Marknadsavbrottshändelser och Justeringar" nedan för information om förtida inlösen av Obligationerna.</p> |

Vidare, om Emittenten fastställer att utförandet av dess åtaganden under Obligationerna eller om några arrangemang som företas för att hedga dess åtaganden under Obligationerna, har blivit eller kommer bli olagligt, helt eller delvis, som en följd av efterlevande av tillämpliga lagar eller framtida lagar (en "olaglighet"), så kan Emittenten lösa in Obligationerna i förtid och, om och till den omfattning som tillåts enligt tillämplig lag, betala ett belopp som är lika med det förtida inlösenbeloppet avseende varje beräkningsbelopp.

I de situationer som anges ovan, kommer det "**förtida inlösenbeloppet**" som förfaller till betalning vid sådan förtida inlösen av Obligationerna vara ett belopp som fastställs av Beräkningsagenten så som representerande det rimliga marknadsvärdet för varje beräkningsbelopp av Obligationerna (och sådant belopp ska inkludera räntebelopp) på en dag som väljs av Emittenten (i en situation med förtida inlösen pga. en olaglighet, med bortseende från den relevanta olagligheten), men justerat (med undantag för vid en förtida inlösen pga. en uppsägningsgrundande händelse) för att beakta förluster, utgifter och kostnader som Emittenten och/eller dess närstående ådrar sig vid upplösande av hedningsarrangemang och finansieringsarrangemang avseende Obligationerna, med förbehåll för att när det rimliga marknadsvärdet för varje beräkningsbelopp av Obligationerna ska fastställas efter en uppsägningsgrundande händelse, så ska inte de finansiella förhållandena för Emittenten beaktas och Emittenten ska förutsättas kunna utföra sina åtaganden till fullo avseende Obligationerna.

#### ***Inlösen vid förfall***

Såvida inte dessförinnan inlösta eller köpta och annullerade, kommer Obligationerna att lösas in till dessas Slutliga Inlösenbelopp på Förfallodagen.

Förfallodagen är 2 maj 2022.

Inlösenbeloppet relaterat till Referensfaktor ska vara "**Inlösenbeloppet (Köption)**" fastställt utifrån följande formel:

$$\text{RKB} + \text{Referensfaktorbeloppet}$$

Beträffande det ovanstående:

"**Referensfaktorbeloppet**" betyder ett belopp fastställt utifrån följande formel:

$$\text{BB} \times \text{MAX}[\text{Utvecklingsgolv}, (\text{DG} \times \text{Utveckling}(\text{Köption}))] \times \text{VKO}$$

Där:

"**Utveckling (Köption)**" betyder summan av de viktade Utvecklingarna för var och en av Referensfaktorerna MINUS 100%

"**Valutakurskonvertering avseende Option**": Inte tillämpligt, VKO = 1

"**Valutakurskonvertering avseende Kapitalbelopp**": Inte tillämpligt, VKK = 1

"**Utveckling**" betyder, avseende en Referensfaktor och den angivna slutliga genomsnittsdagarna, genomsnittlig nivå för sådan Referensfaktor på sådana angivna slutliga genomsnittsdagar DIVIDERAT MED startnivån för sådan

|      |                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

| D.2   | <b>Huvudsakliga risker förknippade med Emittenten</b> | <p>Vid köp av Obligationer ikläder sig investerare risken förknippad med att Emittenten kan bli insolvent eller av annan anledning oförmögen att göra alla betalning som förfaller under Obligationerna. Det finns ett brett spektrum av faktorer som, var för sig eller tillsammans, kan resultera i att Emittenten inte kan fullgöra sina betalningsförpliktelser under Obligationerna. Det är inte möjligt att identifiera all sådana faktorer eller att fastställa vilka faktorer som är mest troliga att inträffa, eftersom Emittenten kan vara omedveten om alla relevanta faktorer och vissa faktorer som Emittenten för närvarande bedömer som inte väsentliga, kan bli väsentliga på grund av inträffandet av händelser som ligger utom Emittentens kontroll. Emittenten har i detta Grundprospekt identifierat ett antal faktorer som kan väsentligt negativt påverka dess verksamhet och förmåga att erlagga betalning avseende Obligationerna. Dessa faktorer inkluderar:</p> <ul style="list-style-type: none"> <li>• Koncernen är exponerad mot ett antal risker, vilka kan kategoriseras som kreditrisk, marknadsrisk, likviditetsrisk, operationell risk, juridisk och näringsrättslig risk, försäkringsrisk, pensionsrisk och affärsrisk;</li> <li>• Regulatoriska förändringar kan väsentligt påverka Emittentens verksamhet;</li> <li>• Emittenten kommer att möta ökade kapital- och likviditetskrav som en följd av Basel III-ramverket;</li> </ul> |

|     |                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

| D.6 | Nyckelinformation om huvudsakliga risker förknippade med Obligationerna | <p><i>Emittenten anser att faktorerna sammanfattade nedan representerar de huvudsakliga riskerna förknippade med att investera i Obligationerna, men Emittenten kan vara oförmögen att erlägga belopp avseende Obligationerna av andra skäl som inte behöver anses vara väsentliga av Emittenten på basis av den information som Emittenten för närvarande har tillgänglig eller som den för närvarande inte kan förutse.</i></p> <p>Obligationerna kan vara förknippade med en hög grad av risk. Det finns vissa faktorer som är väsentliga för att kunna bedöma marknadsriskerna förknippade med att investera i Obligationerna, vilka inkluderar, utan begränsning, det följande: en aktiv andrahandsmarknad avseende Obligationerna kan komma att inte uppstå eller så kan den vara illikvid och detta kan ha en negativ påverkan värdet för vilket en investerare kan sälja sina Obligationer, om en investerare innehar Obligationer som inte är denominerade i valutan för investerarens hemland så kommer exponering ske mot förändringar i valutakurserna som negativt kan påverka värdet av innehavet och införandet av valutakontroller kan resultera i att en investerare inte får betalt för sina Obligationer, att marknadsvärdet för Obligationerna kommer att påverkas av ett antal faktorer oberoende av Emittentens kreditvärdighet, kreditvärdighetsbetyg tilldelade Emittenten kanske inte återspeglar alla risker förknippade med en investering i Obligationerna, Obligationerna kanske inte är en lämplig investering för alla investerare, eftersom Obligationer i VP System är dematerialiserade värdepapper måste investerare förlita sig på clearingsystemets procedurer för överlåtelse, betalning och kommunikation med Emittenten, att skatter och avgifter kan komma att behöva betalas av investerare avseende Obligationerna, att det kan förekomma innehållande av källskatt enligt EU:s Sparandedirektiv, innehållande av källskatt enligt amerikansk lagstiftning (<i>U.S. Foreign Account Tax Compliance Act</i>) kan påverka betalningar avseende Obligationerna, innehållande under lagstiftningen om incitament för anställning (<i>Hiring Incentives to Restore Employment Act</i>) kan påverka betalningar för Obligationerna, de föreslagna finansiella transaktionerna kan tillämpas avseende viss handel med Obligationerna, att Villkoren för Obligationerna innehåller bestämmelser som tillåter att detta modifieras utan samtycke av samtliga investerare, att värdet av Obligationer kan påverkas negativt av en förändring i tillämplig rätt eller administrativ praxis, att Emittenten har emitterat säkerställda obligationer och om några relevanta anspråk avseende dessa säkerställda obligationer inte kan mötas ur tillgångsmassan eller likvider resulterande från denna, kommer varje återstående krav att därefter rangordnas lika med Emittentens förpliktelser under Obligationerna.</p> <p>Dessutom, det finns vissa faktorer som är väsentliga när det gäller bedömningen av riskerna avseende strukturen för Obligationerna, vilka inkluderar, bland annat, det följande: om fullgörandet av Emittentens förpliktelser under Obligationerna, blir olagligt, kan Emittenten lösa in Obligationerna.</p> |

|  |  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|--|--|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  |  | <p>Det finns vissa ytterligare risker förknippade med Obligationer relaterade till Referensfaktorerna: Potentiella investerare i Obligationerna ska vidare vara införstådda med att riskerna med transaktioner som involverar Obligationerna och bör endast fatta ett investeringsbeslut efter noggrant övervägande, tillsammans med sina rådgivare, av lämpligheten av Obligationerna i ljuset av investerarens egna omständigheter, informationen i Grundprospektet och informationen om Referensfaktorerna till vilka värdet för, eller betalningarna avseende Obligationerna är relaterade. Förändringar i värdet och/eller volatiliteten för Referensfaktorerna/förpliktelseerna emitterade eller garanterade av en Referensfaktor kan påverka Obligationernas värde. Investerare riskerar att förlora hela sin investering. Investerare kommer inte att ha några anspråk gentemot någon Referensfaktor. Emittentens hedgningsarrangemang kan påverka Obligationernas värde och det kan förekomma intressekonflikter avseende Obligationerna. Marknadsavbrott eller andra justeringshändelser kan inträffa avseende Referensfaktorerna vilket kan resultera i att värderingar och/eller betalningar senareläggs, Obligationerna akan bli föremål för justering (inklusive, utan begränsning till, att den relevanta Referensfaktorn kan bytas ut) eller att Obligationerna löses in i förtid.</p> <p>Obligationerna representerar en investering relaterad till utvecklingen för Referensfaktorerna och potentiella investerare bör notera att avkastningen (om någon) på deras investering i Obligationerna kommer att bero på utvecklingen för Referensfaktorerna.</p> |
